Lynde - Houston and Dallas redesignations
Rick – SSM final withdrawal
Adaobi/Josh/Barbara/Jacob – final Regional Haze actions or major proposals for your leads.
For SO2- Josh and Lynde (St. Bernard Parish), Josh –
William – was there a major permit or RACT accomplishment?
Major litigation that was settled?

Hopefully you can pull from your WARS on the assignments list for this. your program clients likely have a write up as well.

Please send me brief summary of major accomplishments this year and priorities for remainder of year.
I need this for my discussion/midyear this week and need something from each of you to highlight all of 6ORC good work.
Also, if you need anything from OECA or OGC let me know as I can raise – for teleworking or otherwise.
Thanks
